July 2014

Dear Parents:

We would like to welcome you and your child to the LABBB Collaborative Programs. The LABBB PAC is a group of parents and guardians who serve as voluntary advisors of the LABBB Collaborative. We work in partnership with LABBB Special Education Administrators in providing advice on matters that pertain to education, health and safety for all LABBB students. We support each other with networking opportunities, as well as organize informational sessions or workshops on topics of interest. The LABBB PAC also acts as a liaison between special education students and other segments of the school community.

We meet regularly with LABBB officials to participate in the planning, development, and evaluation of the various LABBB special education programs. The LABBB PAC also assist with fundraisers and special events.

Meetings are held monthly during the school year. We hope you will consider joining the LABBB PAC. For more information on who we are, what we do and planned events, follow our link at [www.labbb.com/alerts.html](http://www.labbb.com/alerts.html) or contact one of the LABBB PAC officers below.

Sincerely,

Trish Orlovsky and Theresa LeBlanc
